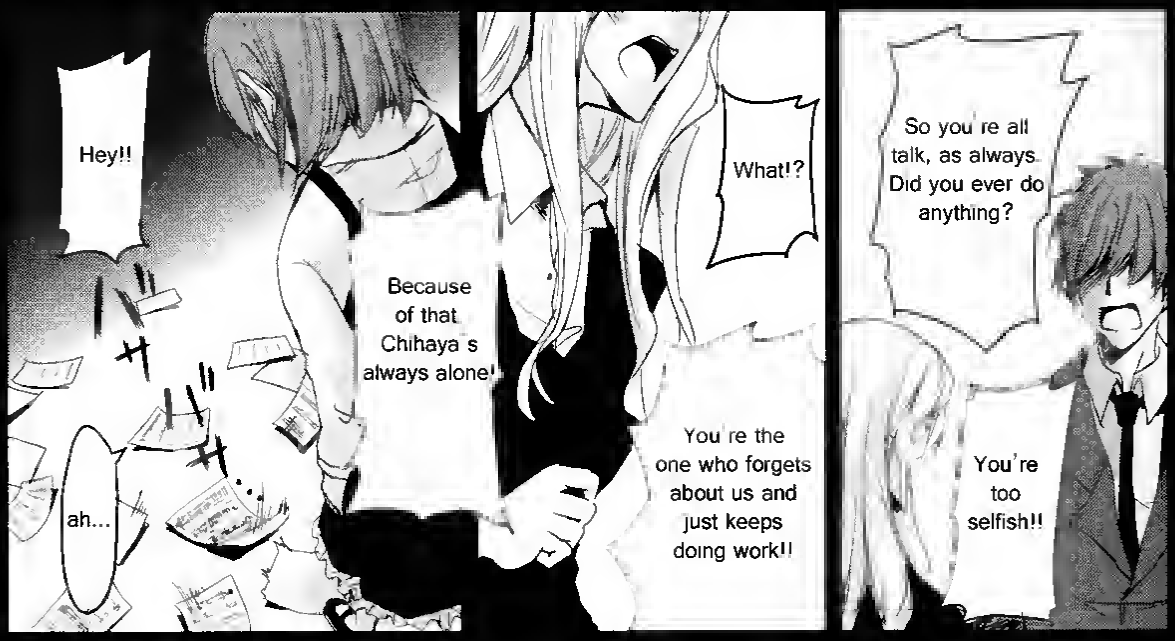
I CAN FLY

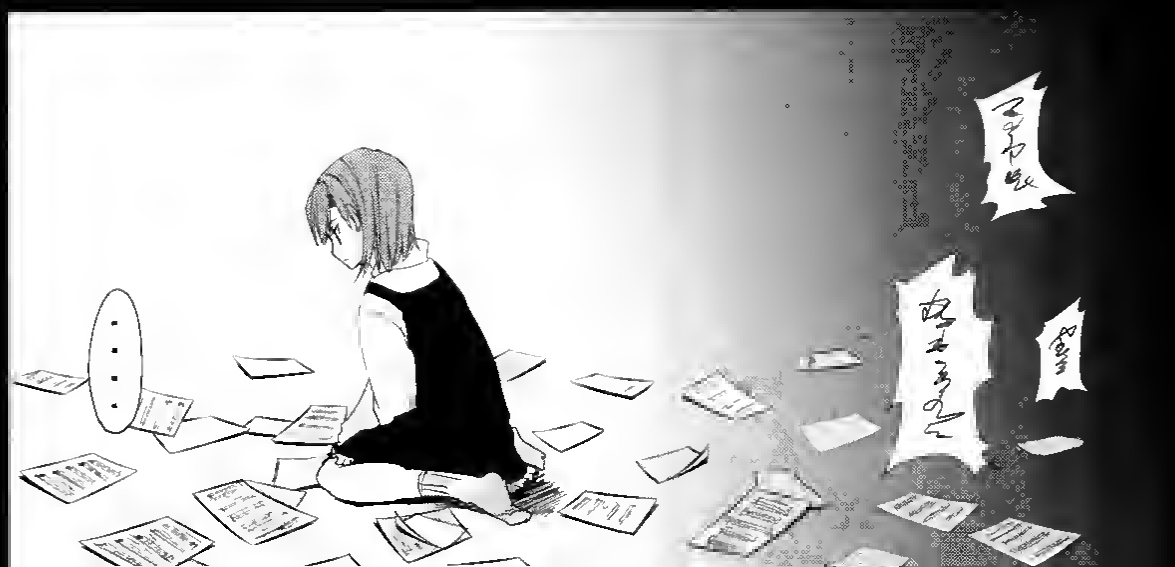
My world is always filled with darkness.

Ahaha, that sounds a bit like slander though
Really? A lone wolf? Sounds cool
As expected of the genius girl, always practicing alone
She won the national competition again you know?
It's like we're on a totally different level
Kisaragi-san is quite amazing...

Everyone looks at me from a distance. Nobody has ever come into my world.



Hey!!
ah...
Because of that Chihaya's always alone!
What!?
You're the one who forgets about us and just keeps doing work!!
So you're all talk, as always. Did you ever do anything?
You're too selfish!!



Here...
Are you alright?
Want some help?

Sadly, painfully...

... sounding like a puppy

Chihaya...

This is the third time, since I started this job.
The cherries bloomed this year too.
Time sure flies...
I see. It's already been two years since then.
Moreover, the cherry blossoms are beautiful. I thought it might be nice to walk back this time
Ha ha
I see, I see.
I'll go back alone today.
Ah, it's fine. I don't want to trouble you that much.
How are you getting back? Should I prepare a car?
You're Miura-san's producer, right?

It was a nice day with the cherry blossoms falling...
Just like that time
...Yes
hli...
2 years...
huh...

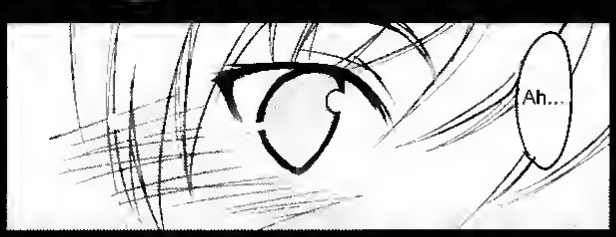
The day I first met her
How was it?
Producer
A-Ah...
amazing...
. my song?
It's really...
beautiful....
DP 1988
I see... I'm glad.
I'm embarassed to say this, but
I fell deeply in love with the girl I just met.

From some point onwards, being together all the time became essential
At first, we fought and fought many times, but...
For Chihaya, singing means everything to her. A self-centered, but earnest girl.

——— but, when did it start? My love for her.



At least let me show off at times like this
...Producer.
B-But, that's unacceptable!!
Producer will get wet
You idiot...
For me, it's more important that you don't catch a cold
(hiding his embarrassment)
Getting wet would help me cool down a bit. No need for air conditioning
ha
A-And you see,
today's hot, isn't it?
I-It's fine, just take it.
Okay.
O-Oh shush..
I don't know how to reply if you say it like that...
Ha ha ha
Thank you
(cute)
You're more naive than I expected, Producer.

Well then...
Good-bye, Producer.
Yeah,
take care
will do...
.....
Um...
Producer?
Surely,
I'll become a top idol, with the two of us.

It's a promise.

——— Her smile Was like a flower

At that time, I vowed to

With the two of us, we can reach high into the sky.
Ah, alright
Break a leg!!
Yes.
I understand. I'll be fine.
We can overcome any challenge that would befall us.
Chihaya
With the two of us, it will be fine.
Today's live is a very important one.
You understand, right?
With Chihaya and I...
Yes

I was too inexperienced

One year later

Kisaragi Chihaya retired from C rank

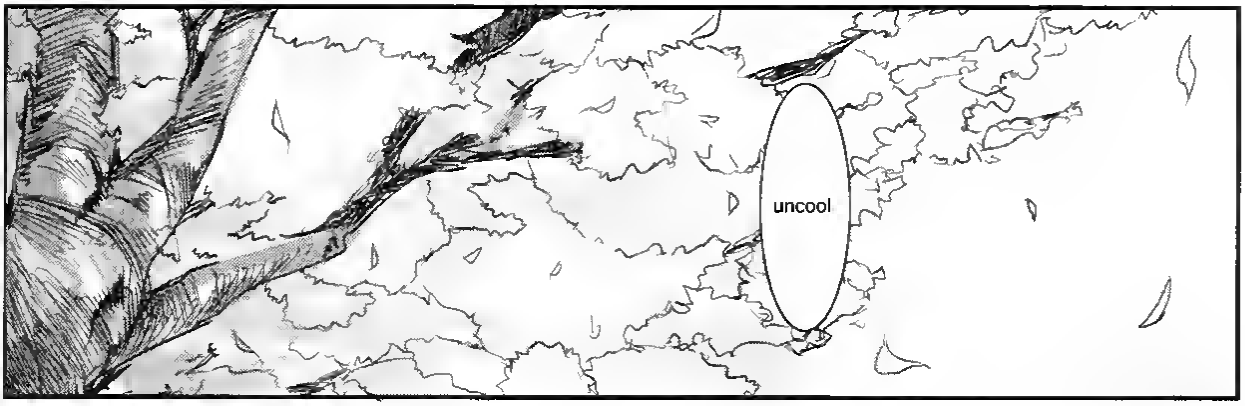
You liar.
On the last day...
She whispered with a quivering voice...

...But
CD SHOP
So I shouldn't be regretting the past...
Time passes... This is the third spring.
Somehow, I've managed to become somewhat successful
the outcome may have been different. We might beome successful this time around.
If only I threw everything away and embraced that trembling Chihaya
at that time...
If it's now...
If it's now, could I show Chihaya this same experience...
CD SHOP
Away from Chihaya's talent and my inexperience
As you can see, I ran away.
First entry Rank 14th!!
Miura Asusa: "Tonari ni..."

What am I thinking...
It's too late now...

Chi...
Chiha-...

It's too late for me to say anything
Chihaya probably has her own happiness
It's already been a year
What am I doing ..
Haha...
Yes...
It's also been three years for Chihaya.
I'm so...



I've written this with the memories of my first playthrough with Chihaya. After their failures in the idol world, what path would the girls take afterwards? I can't stop thinking about that, so I wrote this book. I pray that everyone would be successful at producing the girls.
